

25th Annual Conservation Raffle

Manitoba
Wildlife Federation

Total Sales for the 2009 Conservation Raffle were \$207,770, up approximately \$10,000 over the previous year. As you can see from the information below, this is Brandon Wildlife's 12th consecutive year of sales over \$10,000, just falling short for a third year in the \$25,000 group, the 10th for Seven Oaks, and 7th consecutive year for Labatt Wildlife. Morden Game & Fish and BVM Sports & Wildlife doubled sales from last year and Thompson and Seven Oaks increased their sales by approximately 50%. Thank you to all the associations whose continued efforts make the Conservation Raffle a success!

In addition to 50% of the net profits, associations selling in excess of \$2500 receive an added bonus of Cabela's Gift Certificates and rod and reel combos.

Profits realized from the raffle provide affiliates with funding for local conservation projects and for provincial programs and projects. Over a million dollars has been raised since the raffle's inception. Wildlife habitat, fisheries enhancement projects, wildlife research, and youth training programs are just some examples of province-wide programs funded by the proceeds of the annual Conservation Raffle.
